

PPC300E EDGE GRINDER

Part Number: PPC300E

Category: Grinding

Product details:

The PPC300E Edge Grinder features a revolutionary grinding system designed to make ease of edgework and eliminate the operator from being on their hands and knees.

The machine features a moveable weight system for multiple applications providing optimum results when grinding or polishing.

Features:

- Variable operating speed
- Water tank for polishing capabilities
- Environmentally friendly dust free operation, when connected to a suitable vacuum unit
- Lightweight, easily manoeuvrable, compact design
- Head moves 35° to allow for preparation up to edge

Applications:

- Grinding and smoothing concrete, asphalt, stone and tiled surfaces
- Removal of latex, adhesives and paint
- Polishing terrazzo, stone and concrete
- General edgework grinding

PPC 300e EDGE GRINDER MACHINE SPECIFICATION
