

Training

Seed new skills, Grow knowledge

Every responsible organisation recognises the importance of training to empower your team and add value to your business.

Specialist Training

Here at the Preparation Group, we are passionate about what we do, using our expertise to develop and enhance skills with training opportunities for all types of businesses. We provide value for money training, delivered by industry qualified assessors and our professional, experienced team.

Our unrivalled Training School provides the best facilities in the UK, fully equipped with the latest technology in Surface Preparation, Cleaning and Finishing equipment. With 500m² of constantly evolving surfaces including Resin Systems, Screeds, Adhesives, Vinyl, Carpet, Terrazzo, Ceramic Tiles, Concrete, Thermoplastic Lines and Steel, we demonstrate equipment and train professionals to select methods, use machines, tools and accessories.

Tailored Solutions

Our core subjects focus on practical skills, and can be tailored to suit your business needs; up-skilling professionals. Our facilities and Training School are available to hire for your bespoke training needs.

Our Courses

- Preparation, Maintenance & Finishing Solutions
- Floor Refurbishment & Cleaning
- Grinding & Polishing Techniques
- Basic Equipment Maintenance
- Preparing Steel
- Surface Re-texturing
